triple sec, salt rim

Flaming Oldies

Word on the street is, we are making these flaming oldies at the Federal. Now, we can't legally confirm this, but if you should happen to request a flaming oldie, odds are someone with a wealth of skill and real average looks behind the bar is going to cook you up one hell of an old fashioned. Kiss your old favorite drink (and bar) goodbye. \$20 (\$22 prepared tableside)
